

M4Rabbit NFT Project ROADMAP 2022-2024

As we are sure you know by now, the NFT space is an extremely fast and ever evolving one. That is good news for both the M4Rabbit NFT project and our community, because it means that we will grow together! And If you are reading this it means you are an early bird.

Our doxxed team of experienced leaders take into account the growth of the space and the desires of the community, with that, we find a perfect balance of a path forward.

Our roadmap (This Document) is just that, it is a living document outlining the plans that we will adapt to this fast growing pace in order to try and strive to always provide a secure future for our collectors and holders of M4 NFTs.

Our roadmap is here to give you an idea of our visions for the M4 project and I assure you that every idea our Team brings forward has not only been scrutinised thoroughly but has already begun the process of implementation either in a test environment or live in some way. So, we are ready. Are You?

What will never change for the M4 project?

Our goal, to provide highly collectible artwork with a utility that gives a return for many years to come.

M4Rabbit NFT

Q1-2 2022

Doxxed Team building / art creation, lore and development

NVC Media creates the highest quality 3D artwork within the space and an imagination that brings a warrior rabbit to life. M4 is more than an art piece, we have a 3 person team of science fiction script writers that will give M4 and his legion soul, meaning and intrigue. This saga will be book worthy!

Parallel Shift developers design contracts for everything M4. Over 20 years of development, coding and game development experience will ensure your transactions on the blockchain are not only efficient but secure. Now, our solid foundation is built and ready to grow.

Secure a partnership with Wenmint launchpad.

M4s partnership with Wenmint will give our community confidence that not only are we doing everything possible to execute a smooth launch but give a piece of mind that we are launching through a Partner that has launched many successful projects in the past.

Fully funded project for the remainder of 2022 means we move forward no matter what! Genesis Mint of M4 and his faction rabbits. Staking begins, token presales and gaming.

M4Doe NFT

Q 1-2 2023

We hope you are enjoying the M4 saga so far!

Our story writers will reveal the significance of "Ishii", a doe in the M4Rabbit Metaverse.

Ishii, she is M4s counterpart in the story. The second Amazing high grade 3D art collection from our continuing collaboration with our strategic partners at NVC Media Inc.

Not only is she fierce, but to our investors, she will provide even more potential incentives and rewards from the project for hodlers.

M4Spore NFT

Q 3-4 2023

The M4Spore NFT arrives along with the mechanics to start preparing your M4Lab NFT in order that it may be possible to Mutate your M4Doe NFT. Spore will be burned at the moment of mutation where your M4Lab and M4Doe will become a new NFT.

M4Mutantz NFT

Q1-2 2024

What will a genesis M4Rabbit, an M4Lab and the Ishii collection M4Doe create when their DNA is spliced and mutated?

The Third collection from our partners at NVC Media Inc.

The M4Mutantz: Art that is simply and literally Out Of This World!

We can almost guarantee these mutated, mystery M4s will boost the value of your overall collection in the secondary markets, that is of course if anybody ever even sells them!

Custom mutations will come from those who have collected certain artefacts (TBD) along the way and have them available in their M4Lab at that time.

The M4Mutantz will be limited to 5000 total supply and upon closing the sale of the last NFT we will release over \$1,000,000 Million dollars worth of incentives for the new mutant holders to win in games and giveaway competitions.

What IRL utility will this bring to our holders? Let's let the community decide!

Our team has made one decision though, and it's real life events.

Let's finally meet our M4 team and all of the community at an awesome place and time.

We will host the most epic celebration in the USA.

This is where we finally get to shake hands, eat great food and celebrate a journey that is only beginning.

And for those unable to attend we will have a VR arena open to all!
